

ICABB 2019

SEOUL, SOUTH KOREA

2019 International Conference on Advanced Bioinformatics and Biomedical Engineering (ICABB 2019) will be held in Seoul National University, Seoul, South Korea during June 19-21, 2019. ICABB conference series will be held annually to provide an interactive forum for presentation and discussion on Advanced Bioinformatics and Biomedical Engineering and related fields. Aside from researchers in South Korea, the conference group welcomes participants from all over the world who are interested in developing professional ties to and/or exploring career opportunities in the region. The conference should serve as an ideal forum to establish relationships from within South Korea and other countries of the world.
