⇒ Conference Introduction

The 2nd International Conference on Advances in Bioscience and Bioengineering (ICABB 2016) (<http://www.icabb.org/>) will be held in San Francisco, USA, during October 26-28, 2016. ICABB 2016 is sponsored by the Asia-Pacific Chemical, Biological & Environmental Engineering Society (APCBEEES). It is one of the leading international conferences for presenting novel and fundamental advances in the fields of Advances in Bioscience and Bioengineering. It also serves to foster communication among researchers and practitioners working in a wide variety of scientific areas with a common interest in improving Advances in Bioscience and Bioengineering related techniques.
